

Cape Town Adolescent Health Survey

Dear Students,

THANK YOU for taking part in this important study.

In this survey, we will ask you about yourself and your experiences. Topics are broad, and include HIV/AIDS, how you use technology, how your family and your friends support you, how you think and feel about yourself, and your experiences in romantic relationships and with sex.

This survey will help us know more about what students know about HIV and AIDS, and how they make decisions about whether or not they are going to have sex.

Please do not write your name on this question form.

Your answers will be kept completely private. Your answers will not be made known to your classmates, teachers, or parents.

The questionnaire is easy to fill out. Simply circle the word or write in the word that corresponds with your answer.

Example:

What do you use water for? Please circle yes or no for EACH activity.

Drinking No Yes

Washing No Yes

Cooking food No Yes

Irrigation No Yes

In this Example, the student circled “Yes” for using water for washing and irrigation and circled “No” for using water for drinking and cooking food.

Sometimes, you will receive instructions about which question to answer next, based upon your answer to the question

Example: What is your favourite color? Please circle the one option that best describes your answer.

Blue Yellow Green Black

If you said ‘Blue’, go to page 5.

If you circled any other color, please answer the next question.

In this Example, the student circled “Yellow”. Based upon the instructions, this student should answer the next question. If this student had instead circled “Blue”, he/she should go to page 5.
