[START_Final1] You have reached the end of the survey.

THANK YOU for your time and honesty.

Your responses will help provide more research understanding on the relationships and sexual activity of adults in East Africa.

I know that some of the questions may have been difficult to answer or may have raised some uncomfortable feelings. If you want to talk to someone about how you are feeling, do not be afraid to reach out.

If you are really upset, such as thinking of hurting yourself, please call a local hotline:
