[RESEARCH NOTE: Use of Internet in past 6 months and current access were qualifications for GUWM Existing cohort. We will collect data on these questions but not use them as qualification criteria, at least in the pilot. This may limit comparability of the cohorts but will increase generalizability to the US population. It will also allow us to maximize the number of qualifying returns we collect as we pilot this sampling approach.]

IF QUALIFY (Q2200/1):

I. PERMISSION FOR QUALIFIED PARENT'S PARTICIPATION

Q2500 Congratulations! You qualify to participate in the Growing up with Media study.

You are one of about 2,000 parents and their children who are being asked to take part in the Growing up with Media survey. It will help us better understand why some kids have healthy relationships while others do not, and how media may or may not influence this. The results of this study will help design programs that help teens make healthy choices and live healthier lives.

Your child can earn up to \$20 if they complete an online survey after you answer just a few more questions.

Your participation in the Growing up with Media survey is completely voluntary. You have the right not to take part in the research study and can stop taking part at any time.

Q1000. CONSENT. Do you agree to take part in this survey?

- 1 Yes
- 2 No

IF NO (Q1000/2):

Thank you for your time. We respect your decision not to participate in the Growing up with Media study.

To help us better understand your decision, please tell us why you do not want to participate.

II. PARENTAL PERMISSION FOR CHILD'S PARTICIPATION

You are almost done! The next step is for your child to complete a survey of [his/her] own online. It will take about 35 minutes.

The Growing up with Media survey is being conducted by the Center for Innovative Public Health Research, a non-profit organization, and is sponsored by the National Institutes of Health. The purpose of the study is to better understand why some kids have healthy relationships while others do not, and how media may or may not influence this.

Your [INSERT FROM Q1034: son/daughter/child] does not have to take the survey if [INSERT FROM Q1034: he/she/your child] does not want to. [INSERT FROM Q1034: his/her/their]

answers will help researchers design programs that will help young people make healthy choices and live healthier lives.

We will email your child a gift card for \$15 when [INSERT FROM Q1034: he/she/your child] finishes the entire survey. And, [INSERT FROM Q1034: he/she/your child] can earn a \$5 bonus. If [INSERT FROM Q1034: he/she/your child] finishes the survey in the next 48 hours, [INSERT FROM Q1034: he/she/your child] will receive a total of \$20.

We will also ask your child to fill out two more surveys online. Your child will receive gift cards for completing those surveys. The next survey will be one year from now and the last survey will be two years from now.

CONSENT. Q2010. Do you agree that your [INSERT FROM Q1034: son/daughter/child] can take part in this study?

- 1 Yes
- 2 No

IF NO (Q2010/2):

NON_CONSENT_PARENT: Thank you for your time. We respect your decision not to have your child participate in the Growing up with Media study.

To help us better understand your decision, please tell us why you do not want your child to participate.

To complete the survey, please click the 'submit' button.
